

K935

Digital Wireless Home Headphones

Unchained wireless experience with unrivaled sound quality

The new AKG K935 wireless headphones are the perfect complement to your home audio system. Your music, movies, and games come alive while you enjoy unrestrained freedom to move. Connect the transmitter base (which doubles as a custom-fitted charging cradle) to your home audio system or mobile device, and enjoy crystal-clear wireless audio from over 30m meters away. The K935 is a premium wireless headphone with generous connectivity options and a focus on quality materials and comfort.
